

# JOIN THE CHRIST LUTHERAN SCHOOL RECRUIT-A-STUDENT PROGRAM

Get involved in the CLS Recruit-A-Student Campaign. By spreading the good news about CLS to your family and friends, you can receive valuable savings on your registration and/or tuition! When you recruit a new CLS student, you'll be awarded a valuable \$1,000.00 credit, good towards next year's registration or tuition payment, or you may donate the \$1,000.00 to a school fund of your choice.

## ELIGIBILITY REQUIREMENT

Parents of returning students are eligible to receive a credit of \$1,000.00 towards their next year's registration and/or tuition for recruiting a new student to Christ Lutheran School. The credit will be available after the recruited student has stayed a minimum of six months and is in good financial standing (recruited preschool students must attend full time. If the recruited preschool student attends less than full-time, the recruiting family is eligible for a pro-rated credit).

## WHY PARTICIPATE?

1. Every time you recruit a new student, you'll be eligible for the \$1,000.00 credit. The more students you recruit, the more credits you will receive.
2. You will be helping families learn about CLS as you initiate positive encouragement.
3. You will be helping yourself and other CLS families for years to come.

## IT'S EASY TO JOIN THE CAMPAIGN!

1. Sign up for the Recruit-A-Student Campaign by filling out the form below and returning it to the school office. Choose how you want to participate.
2. Let us know about family and friends who have school-age children who should be attending CLS. We will be happy to send them an information packet.
