

# CHRIST LUTHERAN SCHOOL SPORTS PERMISSION FORM 2019-2020

Dear Parent/Guardian:

The interschool athletic program offered by **CHRIST LUTHERAN SCHOOL** for grades 5-8, provides a worthwhile activity in which the student athletes have an opportunity to participate. Such participation is, however voluntary on the part of the boys and girls, and requires the consent of the parents. Before a student is permitted to take part in the any interschool athletic program he/she must provide the following records to the P.E. Departments of the school.

1. A physical examination
2. Parental consent to participate
3. Acceptable evidence of insurance coverage

Students are required to pay for their own physical examination. School forms are available and completed by the doctor conducting the examination.

Coaches and others responsible for the athletic program with the league exercise every precaution to protect athletes from injury while they are practicing for, traveling to or from, or participating in athletic events. In spite of these precautions, accidents sometimes occur which result in injury. Since neither, the school nor the student body has funds to cover expenses resulting from injuries, the responsibility for the payments of such expenses must be accepted by the parents or guardian. The school provides an insurance plan, which may be used as a supplement to the parent/guardian's insurance.

**I am aware that my student's participation sports can be dangerous, involving the risk of injury.** Some injuries can be serious and because of these dangers, I recognize the importance of my student following instructions regarding techniques, training and other rules, as set forth by the School and the Athletic Department. Failure to obey these instructions and rules may result in my student being dismissed from the sport to prevent possible future injury.

In consideration of CHRIST LUTHERAN SCHOOL permitting my son/daughter to try out and participate in any of the athletic activities offered by CLS, and to engage in all activities related to the team including, but not limited to, trying out, practicing or playing/participating in that activity, and or travel to or from that activity. I hereby assume all the risks associated with participation and agree to hold CHRIST LUTHERAN SCHOOL, its employees, agents, representatives, coaches and volunteers harmless from all liability, actions, causes of action, debts claims or demands of any kind. The terms hereof shall serve as a release and assumption of risk for my heirs, executor, administrator, assignees and all my family members.

# LUTHERAN ATHLETIC LEAGUE

Sport/Season: ANY LAL SPORT

Coach: ANY CLS COACH School: CHRIST LUTHERAN SCHOOL

All participants in the Lutheran Athletic League (L.A.L.) sporting events should be an example of Christian sportsmanship. It is the desire of the L.A.L. that players, coaches, and parents be responsible for their actions and as such have outlined below a Responsibility Code that you should read and adhere to as a player, or parent of a player in the L.A.L.

## **Player/Parent Responsibility Code**

Christian players and their parents should show concern and respect for one another as a family in Christ. They should respect and accept the judgment of officials and coaches and obey the rules and regulations in each sport. The behavior of the player should at all times serve as a Christian example to one another and to those watching the event.

As parents the example that is set for children is paramount to whatever is said to them in word. With this in mind it is vital that parents of players in the L.A.L. conduct themselves in a positive Christian atmosphere at all times, but especially at all L.A.L. sponsored events. Parents provide a great source of support and encouragement for players. Parents are asked to always keep in mind that athletes, coaches and officials in the L.A.L. are not "professionals". Parents should keep this in mind as they are asked to provide supportive, factual and positive feedback to players, coaches and officials in the L.A.L.

It is the duty of all concerned with Christian athletics to emphasize the proper ideals of sportsmanship, ethical conduct, and fair play. To stress the values derived from playing the game fairly, to show cordial courtesy to visiting teams and officials. To respect the integrity and judgment of the sporting officials. To achieve a thorough understanding, and acceptance of the rules of the game and standards of eligibility. To encourage leadership, use of initiative, and good judgment by the players on the team. To recognize that the purpose of athletics is to promote the physical, mental, moral, social, and emotional well being of the individual players. To remember that an athletic contest is only a game, not a matter of life and death for players, coaches, schools, fans, communities, states, or nations.

I have read and agree with providing support for the above Player/Parent Responsibility Code.
