

CLS SUMMER SCHOOL

FUN FRIDAY SCHEDULE - SESSION 1

All Friday Events Happen on CLS Campus

June 21

Ice Cream Sundaes

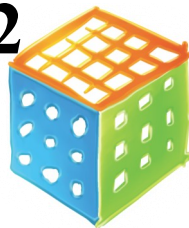

Science Magic (PK-6) June 28

Magicians are fun to see but they never tell the secrets to their magic. Scientists, on the other hand, love to share how things work. Students will be led through different "magic" tricks and illusions to find out the science behind them.

July 12

DiscoveryCube

Portable Planetarium

Through an immersive planetarium experience, students will take a journey through the night sky. Students will explore our galaxy and learn about the planets, our moon, the stars, and constellations.
